

The returns are calculated based on buying at the "Market Open" at the beginning of the periods and selling at the "Market Open" at the end of the periods. Your returns will be different, depending on your enter and exit prices.

Emmaus ReCap - Cycle B5 - P69

10-Dec-10

	<i>Last Period</i>	<i>Last 3 Periods</i>	<i>Last 6 Periods</i>	<i>Last 9 Periods</i>	<i>Past Year</i>	<i>Since Inception</i>
<i>DIA</i>	1.440%	9.011%	12.313%	7.177%	9.500%	19.878%
<i>QQQQ</i>	2.166%	15.937%	20.121%	14.106%	21.280%	54.249%
<i>SPY</i>	2.715%	11.244%	13.970%	7.321%	12.139%	18.199%
<i>EMMAUS</i>	8.449%	17.470%	30.928%	31.074%	32.710%	153.894%

Note: The above data results do represent actual trading recommendations but do not include "Subscriber Fees" or "Trading Fees".

(Example#1: \$25,000 account would have a reduced performance of .75% per month after \$100/month "Subscriber Fee" and "Trading Fees".)

(Example#2: \$50,000 account would have a reduced performance of .45% per month after \$100/month "Subscriber Fee" and "Trading Fees".)

(Example#3: \$75,000 account would have a reduced performance of .25% per month after \$100/month "Subscriber Fee" and "Trading Fees".)

Note: The referenced "Portfolio" contains equity stocks that are managed with a view toward capital appreciation.

Note: Past performance is not a guarantee of future performance. Any investment in securities should be considered speculative with a high degree of volatility and risk. Thus, this strategy is only appropriate for the high risk portion of an investor's portfolio.

Note: The volatility of the Index ETFs (DIA, QQQQ, SPY, and VTI) is materially different from that of the EIS Strategies.

Note: The performance does not include the effects of reinvestment of dividends and other earnings.

Note: This portfolio is intended for illustrative purposes only. Results are unaudited, and investors should not assume that future results will be profitable or will equal representations of past performance, real, indicated or implied. Emmaus Corp., nor any of its employees or affiliates are responsible for any losses you may incur.
